Items to Consider During The Annual Enrollment Period

Dependent data:

Gather this information before proceeding with enrollment: Names, birthdates, and Social Security numbers to complete your enrollment process.

Beneficiary designations:

There are no set deadlines for updating your life insurance beneficiary designations, but Annual Enrollment is a great time for you to review and update beneficiary information.

Personal information:

If your name, address, phone number, or e-mail information has changed, be sure to notify the HR Benefits Unit in writing at: benefits@sonoma-county.org or contact us at (707) 565-2900 to request a change form. It's important to keep your personal information up-to-date at all times.

Annual Enrollment provides you an opportunity to evaluate your current medical and dental coverage and to elect the benefit plans that best fit your needs. This is also your once-a-year opportunity to make changes to your current benefit elections for the upcoming plan year, June 1, 2017 through May 31, 2018.

During Annual Enrollment you may:

- Change your medical or dental plan election(s)
- Enroll, drop, or waive coverage in one of the retiree dental plans
- Drop coverage for dependents

You only need to take action during Annual Enrollment if you are making one or more of the changes noted above. **Be sure to complete and submit the required form(s) to the County of Sonoma, Human Resources Benefits Unit by 5:00 p.m., Friday, April 21, 2017.**

If you want to continue your current benefit elections in the coming benefit year and all of your dependents continue to meet the plans' eligibility criteria, no action is necessary — your current benefits will continue, effective June 1, 2017.

WHAT'S NEW FOR 2017 - 2018

The following is a summary of significant changes.

FOUR ADDITIONAL MEDICAL PLAN OPTIONS FOR NON-MEDICARE RETIREES

The County will be offering four new plans from Sutter Health Plus and Western Health Advantage to non-Medicare retirees and non-Medicare dependents, effective June 1, 2017. The new plans are:

- Sutter Health Plus Hospital Services DHMO
- Sutter Health Plus Deductible First HDHP
- Western Health Advantage Hospital Services DHMO
- Western Health Advantage Deductible First HDHP

These four new plans have similar benefits as the current Kaiser Permanente Hospital Services DHMO and Kaiser Permanente Deductible First HDHP plans, but with several differences. Please review the Medical Comparison Chart carefully. Non-Medicare retirees who are considering enrolling in one of the new medical plans should also review the Summary of Benefits and Coverage (SBC) and Evidence of Coverage (EOC) for more specific plan information, available online at: http://sonomacounty.ca.gov/HR/Benefits/Annual-Enrollment/.

THE COUNTY HEALTH PLANS (PPO AND EPO) WILL HAVE NEW PRESCRIPTION COPAYMENTS EFFECTIVE JUNE 1, 2017

The prescription copayment changes for the PPO plan are:

- Retail pharmacy copayments are increasing to $20 for formulary brand drugs and to $40 for non-formulary brands.
- Mail order pharmacy copayments are increasing to $10 for generic; to $40 for formulary brand; and to $80 for non-formulary brand drugs.

The prescription copayment changes for the EPO plan are:

- Mail order pharmacy copayments are increasing to $20 for generic; to $70 for formulary brand; and to $140 for non-formulary brand drugs.

NEW ENROLLEES IN UNITEDHEALTHCARE (UHC) AARP

Benefit election coverage for new UHC AARP enrollments, made during this Annual Enrollment period only, will be effective July 1, 2017. UHC AARP is rolling out a new pricing structure starting July 1, 2017 for **new enrollees only**. This change makes it necessary to delay the effective date of new enrollments in UHC AARP coverage to July 1, 2017. If you are currently on one of the other County-sponsored plans and elect to change to an UHC AARP Plan, then your current coverage continues through June 30, 2017 and UHC AARP enrollment begins July 1, 2017.

If you are currently on an UHC AARP Plan, your rate structure is not changing. **Current UHC AARP enrollees who request a change to their AARP medical or prescription plan will have an effective date of June 1, 2017.**

PART D DRUG BENEFITS

CareCounsel can answer benefit plan questions and guide you through the decision process. See page 68 for a list of all CareCounsel services. Call 1-888-227-3334

AARP MedicareRx are Medicare Part-D plans. As Part-D plans, they are subject to changes implemented by the Patient Protection and Affordable Care Act (PPACA). The ACA requires Part-D prescription plans to gradually close the prescription drug coverage gap, known as the "donut hole." In 2017, retirees covered by a Medicare Part-D plan, such as an AARP MedicareRx prescription plan, who reach the coverage gap, (when total costs reach $3,700 or donut hole) will pay 40% of the plan's cost for covered brand-name drugs and 51% for covered generic drugs. Additionally, the discount on generic drugs has increased from 42% to 49%. You can expect additional

savings in the coming years on your covered brand-name and generic drugs while in the coverage gap, until the gap is closed in 2020. Once your annual out-of-pocket drug costs exceed $4,950, Part-D Catastrophic Coverage begins and only a small coinsurance or co-payment is required. For more information, visit http://www.medicare.gov/part-d/index.html or contact a UnitedHealthcare (UHC)-AARP customer service representative at 888-556-7049.

MEDICAL PLAN ELIGIBILITY

Plan eligibility and plan benefits are based on an enrolled member's eligibility for Medicare. Use the information below to determine which plans are available to you and what plan benefits will be provided.

MEDICARE PLANS

These plans are available to participant (Retiree or Eligible Dependent) enrolled in Medicare Parts A & B:

- County Health Plan EPO - Medicare will be the primary coverage for members with Medicare.
- County Health Plan PPO - Medicare will be the primary coverage for members with Medicare.
- Kaiser Permanente Senior Advantage

As you consider which plan is right for you, it's important to understand how Medicare and your County-offered medical plan benefits work together to provide your health care benefits.

SPLIT ENROLLMENTS

Kaiser Permanente allows split enrollments between the retiree and their eligible dependents. A retiree may choose Senior Advantage because he/she is eligible for Medicare Parts A & B and their spouse may be on the Kaiser Permanente HMO or DHMO plan. Likewise, the retiree may choose Kaiser Permanente HMO or DHMO plan and their Medicare eligible spouse is on Senior Advantage. The monthly rate the retiree pays is a combination of the Medicare and non-Medicare plan enrollments.

BRIEF DESCRIPTION OF MEDICAL PLANS

The following provides a brief description of how each plan works.

COUNTY HEALTH PLANS

COUNTY HEALTH PLAN EPO

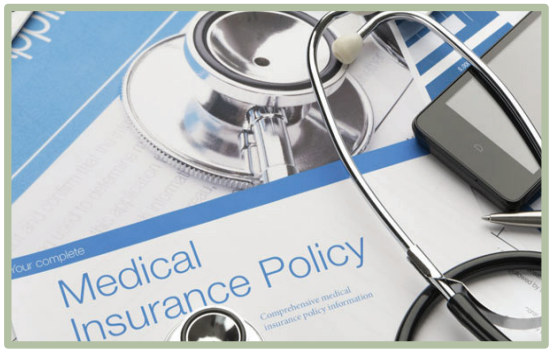
The plan includes a network of preferred providers, including doctors, hospitals and other health care facilities, which participate in the Anthem Blue Cross Prudent Buyer PPO Plan network. Prescription drug coverage is provided through CVS/Caremark. The plans' network providers agree in advance to provide their services at a negotiated, discounted rate. All care in the County Health Plan EPO must be obtained within the plan network, except if you have an authorized referral from a network provider or if you have an emergency.

COUNTY HEALTH PLAN PPO

The plan includes a network of preferred providers, including doctors, hospitals and other health care facilities, which participate in the Anthem Blue Cross Prudent Buyer PPO Plan network within California and the Blue Card Program network outside of California. Prescription drug coverage is provided through CVS/Caremark. The plans' network providers agree in advance to provide their services at a negotiated, discounted rate. You may seek care from providers outside the network, but you will pay less out of your own pocket when you use a network provider.

- **Deductibles and Coinsurance Services** under the County Health Plans are subject to an annual deductible. As you incur medical expenses, you first pay the deductible out of your own pocket. Then, after meeting the deductible, you pay your share of the cost of your covered expenses (known as "coinsurance"), up to the plans' annual out-of-pocket maximum.

- **Out-of-Pocket Maximum** When you meet the annual out-of-pocket maximum, the plan will pay the full cost of covered expenses for the remainder of the benefit year. Covered expenses (e.g. coinsurance amounts) apply towards the out-of-pocket maximum.



Out-of-pocket costs incurred for non-covered services or supplies in excess of the plan's covered expenses (e.g. expenses incurred for out-of-network services that exceed the reasonable and customary charges allowed by the plan) **are not** applied toward the out-of-pocket maximum; these non-covered charges are the plan participant's financial responsibility. ***Be sure you understand the amount you will be required to pay out of your own pocket if you seek care out-of-network***.

IMPORTANT NOTE

Because providers are added to and dropped from the PPO or EPO network periodically throughout the year it is best if you ask your Health Care Provider IF they are still participating with the PPO or EPO or contact the network each time BEFORE you seek services.

For a list of In-Network providers, see the website of the PPO Network or EPO Network located on page 69 of this guide.

COUNTY HEALTH PLAN PRESCRIPTION COVERAGE UNDER CVS/CAREMARK

For both the County EPO and the County PPO medical plan options, outpatient retail and mail order drugs are available through CVS/Caremark. You are encouraged to select a generic drug when possible. If a generic drug is not available, you pay the brand-name copay. If a brand-name drug is medically necessary, as prescribed by your doctor, your doctor must request an exception to the plans' mandatory generic policy through CVS/Caremark prior to getting the prescription filled. If approved, you will be charged the brand-name copay. However, if you choose the brand-name drug, or the exception is not approved, the drug will be a covered expense but you will be responsible for the brand copay along with the difference between the brand and generic cost. **If you are taking a maintenance drug, it can be filled at any retail pharmacy twice. After the second fill, it must be filled at a CVS pharmacy or by mail order through CVS/Caremark.**

KAISER PERMANENTE TRADITIONAL HMO

The Traditional $10 Copay Plan provides doctor and specialist visits for a $10 copay. Prescription medication is covered at a copay of $5 for generic and $10 for brand (up to a 100 day supply). Hospitalization, radiology, and lab tests are also covered at no cost. Most preventive services are also covered at no cost under ACA guidelines. Generally, you must use Kaiser Permanente's physicians unless you have an out-of-area urgent or emergency situation or a referral.

KAISER PERMANENTE HOSPITAL SERVICES DHMO

For hospital related services including emergency room visits, inpatient stays and outpatient surgery, you pay the full cost of these services up to the deductible then a 20% coinsurance until you reach your out-of-pocket max. The out-of-pocket maximum includes the calendar year deductible, copayments, and coinsurance. For most primary

care, specialist and urgent care visits you will pay a $20 copay. For prescription drugs you will pay $10 for a 30 day supply and $20 for a 100 day supply for generic and $30 for a 30 day and $60 for a 100 day supply for brand.

See the Medical Plan Comparison Chart in this guide for more information about the benefits, deductibles, and out-of-pocket maximums.

Retirees who have an HRA (Health Reimbursement Arrangement), or an FSA (Flexible Spending Account), through COBRA or another employer, may submit Kaiser out-of-pocket expenses for reimbursement.

Members can use Kaiser Permanente's online Cost Estimate Tool to obtain a personalized estimate of medical care costs for common tests and procedures at www.kp.org/memberestimate.

KAISER PERMANENTE DEDUCTIBLE FIRST HDHP

This plan requires a member to meet the calendar year deductible FIRST before ANY plan benefits will be paid, except covered preventive services. Members will pay 100% of the doctor office visits, radiology services, lab tests, prescriptions, hospitalizations etc., until the calendar deductible is met. Once the deductible is met, covered medical, hospital and prescription benefits will be provided for a copayment or coinsurance amount. While this plan does require a member to meet the deductible first, members who anticipate a hospital stay (such as a surgery or the birth of a child), may find this plan offers a lower total out-of-pocket cost. The calendar year out-of-pocket maximum includes: calendar year deductibles, copayments, and coinsurance.

See the Medical Plan Comparison Chart in this guide for more information about the benefits, deductibles, and out-of-pocket maximums.

Retirees who have an HRA (Health Reimbursement Arrangement), or an FSA (Flexible Spending Account), through COBRA or another employer, may submit Kaiser out-of-pocket expenses for reimbursement.

Members can use Kaiser Permanente's online Cost Estimate Tool to obtain a personalized estimate of medical care costs for common tests and procedures at www.kp.org/memberestimate.

Take Note… If you (the retiree) elect to enroll in this Deductible First HDHP, which qualifies as an HSA-qualified high deductible health plan, and you have a Flexible Spending Account and/or a Health Reimbursement Arrangement (HRA), be advised that under IRS rules you are NOT allowed to contribute to a Health Savings Account (HSA). Because FSA and HRA accounts can be used to reimburse your out of pocket medical expenses, the IRS does not allow you to also contribute to a Health Savings Account at the same time, as it is considered prohibited health coverage.

You will also find conveniently located full-service care centers that offer a wide array of services under one roof — providing access to quality care in a neighborhood near you.

Most preventive services — such as well baby/child visits, immunizations, physicals, mammograms, and routine preventive screenings — are covered at no cost. Membership with WHA means value-added benefits including acupuncture and chiropractic services, mental health and substance abuse services, online wellness assessment, travel assistance, and more.

Like all HMOs, you must use Western Health Advantage's physicians, hospitals, and other approved health care providers. Otherwise, you will not be eligible to receive benefits, except in a life-threatening situation such as an out-of-area urgent or emergency situation.

To learn more about Western Health Advantage, visit us at www.chooseWHA.com/sonoma-county or call 888-563-2250.

WESTERN HEALTH ADVANTAGE TRADITIONAL HMO

Primary care doctor and specialist visits are available for a $10 copay. Hospitalization, radiology, and lab tests are covered at no cost from Western Health Advantage HMO. Outpatient prescription medication is covered at a copay range of $5 - $20.

WESTERN HEALTH ADVANTAGE HOSPITAL SERVICES DHMO

The Hospital Services DHMO plan requires you to live within the plan's Northern California service area and to receive your non-emergency care from Western Health Advantage providers. You share in the cost of your care through copayments, coinsurance, and deductibles.

Most doctor's office visits, radiology services, lab tests and prescriptions are available for a copay or coinsurance amount, even before you have reached the calendar year deductible. Hospitalizations, in-patient, and out-patient surgeries are subject to the calendar year deductible before plan benefits will be paid.

See the Medical Plan Comparison Chart in this guide for more information about the benefits, deductibles, and out-of-pocket maximums.

Retirees who have an HRA (Health Reimbursement Arrangement), or an FSA (Flexible Spending Account), through COBRA or another employer, may submit Western Health Advantage out-of-pocket expenses for reimbursement.

WESTERN HEALTH ADVANTAGE DEDUCTIBLE FIRST HDHP

The Deductible First DHMO plan requires you to live within the plans' Northern California service area and to receive care from Western Health Advantage providers. This means you have access to Western Health Advantage providers only, except when you need emergency care. You share in the cost of your care through co-payments, coinsurance, and deductibles.

For any service other than preventative services, a member must meet the calendar year deductible FIRST before ANY plan benefits will be paid. A member will pay 100% of the doctor office visits, radiology services, lab tests, prescriptions, hospitalizations, etc., until the calendar year deductible is met. Once the deductible is satisfied, covered medical, hospital, and prescription benefits will be provided for a copayment or coinsurance amount.

See the Medical Plan Comparison Chart for more information about deductibles, out-of-pocket maximums, and plan benefits.

Retirees who have an HRA (Health Reimbursement Arrangement), or an FSA (Flexible Spending Account), through COBRA or another employer, may submit Western Health Advantage out-of-pocket expenses for reimbursement.

Take Note… If you (the retiree) elect to enroll in this Deductible First HDHP, which qualifies as an HSA-qualified high deductible health plan, and you have a Flexible Spending Account and/or a Health Reimbursement Arrangement (HRA), be advised that under IRS rules you are NOT allowed to contribute to a Health Savings Account (HSA). Because FSA and HRA accounts can be used to reimburse your out of pocket medical expenses, the IRS does not allow you to also contribute to a Health Savings Account at the same time, as it is considered prohibited health coverage.

HOW MEDICARE WORKS

Medicare is health insurance for people age 65 or older, under age 65 with certain disabilities, and any age with end-stage renal disease. In general, those eligible to receive Social Security are automatically enrolled in Medicare Part A at age 65; if eligible. You should receive your Medicare card in the mail three months prior to your 65th birthday. Send the County of Sonoma, Human Resources Benefits Unit a copy as soon as you do.

IMPORTANT

Medicare eligible retirees and/or their Medicare eligible dependents need to provide proof of enrollment in **Medicare Parts A & B** to enroll in a County-offered retiree medical plan. You must provide a copy of your and your eligible dependent's Medicare card(s) to Human Resources Benefits Unit and complete the appropriate enrollment forms. **If you do not complete the forms and provide a copy of the Medicare card(s) in the timeframe requested, your County-offered coverage is subject to cancellation.**

If you have questions about your eligibility for and enrollment in Medicare, contact the Social Security Administration at 1-800-772-1213 at least 90 days prior to your 65th birthday. If you are enrolled in a plan for Non-Medicare-eligible retirees (not including Sutter Health Plus or Western Health Advantage), when you become Medicare-eligible you may elect to remain covered with your current medical carrier or choose a different medical plan. More information is available at:
http://www.medicare.gov/pubs/pdf/10050.pdf

Once you are enrolled in Medicare Parts A & B, coverage is provided as follows:

- **Medicare Part A provides hospital insurance**. It helps pay for Medicare approved hospital stays, care in skilled nursing facilities, hospice care and hospital care from qualified Medicare providers. You typically do not pay a permium for Part A coverage if you paid enough Medicare taxes while you were working.

- **Medicare Part B provides medical insurance.** It helps pay for Medicare approved doctor services, outpatient care, certain preventive care services, diagnostic tests and some other services and supplies that Medicare Part A does not cover. In

most cases, the Medicare Part B premium is deducted monthly from your Social Security benefits. If you do not receive a Social Security check, you will be billed quarterly for the Part B premium by the Social Security Administration.

The County of Sonoma provides eligible retirees with reimbursement for the Medicare Part B premium (Effective 6/1/09, frozen at $96.40 per month) beginning the month your Medicare Part B is effective. If you are eligible, this reimbursement is included in your monthly pension check. This benefit is limited to retirees hired before January 1, 2009 only and is not available to survivors of deceased retirees or retirees hired on or after January 1, 2009.

HOW THE COUNTY-OFFERED MEDICAL PLANS WORK WITH MEDICARE

Eligible retirees who are enrolled in Medicare Parts A and B, can participate in a County-offered retiree medical plan, which, depending on the plan you elect, the plan provides, coordinates with, or supplements your Medicare Parts A and B coverage. Participation in one of the County-offered plans generally enhances the coverage you receive through Medicare Parts A and B. You pay a monthly premium in addition to your Medicare Part B premium for this coverage.

The following is a summary by plan of how Medicare and the County-offered plans work together to provide your benefits. Payments are generally based on the Medicare approved amount.

County Health Plans: If you choose to participate in one of the County Health Plans EPO or PPO, the benefits paid as you receive care are **coordinated with your Medicare Parts A and B coverage**. When you incur covered expenses under one of the County Health Plans, the cost will first be submitted to Medicare for payment. Under the County Health Plan EPO, Medicare retirees and/or Medicare dependents do not receive an additional payment other than Medicare on most services. Medicare usually pays 80% on services which is the equivalent payment through the County Health Plan EPO plan. Then, the County Health Plan will pay an amount, based on the benefit provided for that type of expense (e.g., for an in-network doctor's office visit). Refer to the County Health Plan's Summary Plan Description for more information and examples of how County Health Plan benefits are coordinated with Medicare. Under the County Health Plan PPO, Medicare retirees and/or Medicare dependents must use a provider that is both a preferred provider and Medicare provider to receive benefits under the plan.

Under the County Health Plans you are required to meet a deductible and pay applicable copayments and coinsurance for services. You must use a Medicare provider to receive benefits under the County Health Plans. You will receive a higher level of coverage when you use providers within the Anthem Blue Cross network based on your place of residence.

Take Note…Coinsurance in the Medical Plan Comparison chart reflects the member's share of costs only. County health plans exclude "Private Contracts". **If a member goes to a provider that doesn't accept Medicare, the claim is also not covered by the County Health Plans.**

Kaiser Permanente Senior Advantage HMO Plan: This plan is approved as a "Medicare Advantage" plan by Medicare. When you choose to participate in this plan, you agree to allow Kaiser Permanente to provide your Medicare Parts A and B benefits. In doing so, you authorize Medicare to pay your benefits directly to Kaiser Permanente. Under the HMO plan you pay a set copayment for most services you use. You must use Kaiser Permanente contracted providers for your care, except in an emergency.

COORDINATION OF BENEFITS (COB) EXAMPLES FOR THE CHP PLANS

Some members may have health benefits coverage from more than one source, such as Medicare. In these instances, benefit coverage is coordinated between primary and secondary payers.

Participating providers should obtain information from members as to whether the member has health benefits coverage from more than one source, and if so, provides this information to Anthem.

Coordination of benefits between different sources of coverage (payers) is governed by the terms of the member's benefit plan and applicable state and/or federal laws, rules and/or regulations. To the extent not otherwise required by applicable laws or regulations, **participating providers agree that in no event will payment from primary and secondary payers for covered services rendered to members exceed the rate specified in the provider agreement**.

Primary Insurance Explanation of Benefits
Participating providers must submit a copy of the Explanation of Benefits (EOB) that includes the primary payer's determination when submitting claims to Anthem. The services included in the claim submitted to Anthem should match the services included in the primary payer EOB. Authorization, certification or notification requirements under the member's benefit plan still apply in coordination of benefits situations.

Take Note… Some benefit plans require that the member update at designated time periods (e.g., annually) whether they have other health benefit coverage. Claims may be

denied in the event the member fails to provide the required other coverage updates.

"Lesser of" Rule
Based on the above, the 'Lesser Of' rule would apply to both Medicare and any other insurance coverage when benefits are coordinated when determining the allowed amount. Because of this language, it is important to note the provider may not bill the patient for the difference between what the plan allows and Medicare's allowance (which is usually lower).

Carve-Out Method
Also please note the Plan uses the "carve-out" method of COB. Carve-out guarantees that you receive the same benefit you would receive in the absence of the other plan or Medicare. Carve-out also means you do not receive 100 percent of the total covered charge unless you satisfy this plan's annual deductible and annual out-of-pocket maximum. With carve-out, if this plan's (as the secondary plan) normal benefit is greater than the primary plan's payment, then this plan will pay the difference between its normal plan benefit and the primary plan's payment. If this plan's normal benefit is equal to or less than the primary plan's payment, then no payment will be made by this plan.

The following examples of County Health Plans' Coordination of Benefits (COB) with Medicare are for illustrative purposes only:

EXAMPLE 1: CHP PPO – Inpatient Hospital (In-Network):

$8,800	Medicare allowance
-$7,540	Medicare payment
$1,260	Balance (Medicare's 2015 hospital deductible)

The CHP PPO Plan available benefit is then determined:

$8,800	Allowed Amount
- $300	Deductible
- $125	Per admission copay
$8,375	Balance
x 90%	Co-insurance
$7,537.50	Available CHP benefit

The next step is to determine the amounts paid by the CHP PPO plan and amount owed by the member. The Medicare allowed amount is $8,800. Medicare has paid $7,540. If Medicare did not exist, the CHP PPO plan would have paid $7537.50. Because that is less than what Medicare paid, the plan does not pay in this scenario. The remaining balance between the COB allowed amount ($8,800) and the total amount paid ($7,540) of **$1,260 would be the total amount owed by the member**.

CHP EPO (Inpatient Hospital (In-Network)):

$8,800	Medicare allowance
- $7,540	Medicare payment
$1,260	Balance (Medicare's 2015 hospital deductible)

The CHP EPO Plan available benefit is then determined:

$8,800	Allowed Amount
- $500	Deductible
- $500	Per admission copay
$7,800	Balance
x 80%	Co-insurance
$6,240	Available CHP benefit

The COB Allowed Amount in this example is $8,800. Medicare has paid $7,540. If Medicare did not exist, the CHP EPO plan would have paid $6,240. Because that is less than what Medicare paid, the plan does not pay in this scenario. The remaining balance between the COB allowed amount ($8,800) and the total amount paid ($7,540) of **$1,260 would be the total amount owed by the member**.

EXAMPLE 2: CHP PPO – Outpatient Hospital (In-Network):

$2,600	Medicare allowance
- $147	Deductible
$2,453	Balance
x 80%	Co-insurance
$1,962.40	Medicare payment

The CHP PPO Plan available benefit is then determined:

$2,600	Allowed Amount
- $300	Deductible
$2,300	Balance
x 90%	Co-insurance
$2,070	Available CHP benefit

The COB Allowed Amount in this example is $2,600. Medicare has paid $1,962.40. If Medicare did not exist, the CHP PPO plan would have paid $2,070 so the difference of $107.60 would be paid by the CHP plan. The remaining balance between the COB allowed amount ($2,600) and the total amount paid by both plans ($2,070) of **$530 would be the total amount owed by the member**.

CHP EPO (Outpatient Hospital (In-Network)):

$2,600	Medicare allowance
- $147	Deductible
$2,453	Balance
x 80%	Co-insurance
$1,962.40	Medicare payment

The CHP EPO Plan available benefit is then determined:

$2,600	Allowed Amount
- $500	Deductible
- $500	Copay
$1,600	Balance
x 80%	Co-insurance
$1,280	Available CHP benefit

The COB Allowed Amount in this example is $2,600. Medicare has paid $1,962.40. If Medicare did not exist, the CHP EPO plan would have paid $1,280. Because that is less than what Medicare paid, the plan does not pay in this scenario. The remaining balance between the COB allowed amount ($2,600) and the total amount paid ($1,962.40) of **$637.60 would be the total amount owed by the member**.

EXAMPLE 3: CHP PPO – Professional (In-Network):

$100	Medicare allowance
- $80	Medicare payment
$20	Balance

$100	Allowed Amount
- $20	Co-payment
$80	Available CHP benefit

The COB Allowed Amount in this example is $100. Medicare has paid $80. If Medicare did not exist, the CHP PPO plan would have also paid $80. Therefore, the CHP does not pay a benefit in addition to Medicare in this example. The remaining balance between the COB allowed amount ($100) and the total amount paid in total by both plans ($80) of **$20 would be the total amount owed by the member**.

CHP EPO (Professional (In-Network)):

$100	Medicare allowance
- $80	Medicare payment
$20	Balance

$100	Allowed Amount
- $50	Co-payment
$50	Available CHP benefit

The COB Allowed Amount in this example is $100. Medicare has paid $80. If Medicare did not exist, the CHP EPO plan would have paid $50. Because that is less than what Medicare paid, the plan does not pay in this scenario. The remaining balance between the COB allowed amount ($100) and the total amount paid ($80) of **$20 would be the total amount owed by the member**. The provider would owe the member a $30 refund if the member paid the $50 copay at the time of service.

Coordinating benefits with other insurance coverage (OIC), other than Medicare, follows the same methodology as well.

AARP® MEDICARE SUPPLEMENT INSURANCE PLANS

Medicare participants may elect to purchase AARP® Medicare Supplement Insurance, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), if the retiree and eligible dependents are all at least age 65 and currently enrolled in both Medicare Parts A and B. A Medicare supplement insurance plan (also known as a "Medigap" plan) is designed to supplement some or all of the health care costs not covered by Medicare Part A and Part B.

The County offers a range of Medicare supplement insurance plans to our Medicare-eligible retirees to help pay for some or all of the retiree's out-of-pocket costs. AARP Medicare Supplement Insurance Plans offer Medicare-eligible retirees an opportunity to choose from a variety of standardized Medigap plans (e.g. Plans A-N). Each plan offers a different level of benefits, and monthly premiums vary accordingly.

Because there are so many plans and variables, we could not present all available plans in this guide. Instead, you must contact UnitedHealthcare for details. **The most popular plans are shown in this booklet are for illustrative purposes only.**

Membership in AARP is required for the AARP Medicare Supplement Insurance Plans. If you are not a current member of AARP but wish to enroll in an AARP Medicare Supplement Plan, UnitedHealthcare will pay for your first year of AARP membership (this is not available to residents of New York); otherwise, you will be billed directly by AARP for the annual membership fee, currently $16.00 per household.

To learn more about the AARP Medicare Supplement Insurance Plans and to request a monthly premium quote, contact the plan's customer service at 1-800-545-1797. If you should choose to enroll by phone, please be aware that this process takes some time. Set aside at least 1 hour to sign up with a customer service representative. The group numbers and an enrollment checklist are provided on page 6. Customer service representatives are available Monday through Friday from 7:00 a.m. to 11:00 p.m. EST, and Saturday from 9:00 a.m. to 5:00 p.m. EST. Additional information is available on the following website: http://www.aarpmedsuppretirees.com.

These plans are underwritten by United Health Care Insurance Company. Unlike the County Health Plans and Kaiser Senior Advantage, AARP Medicare Supplement Plans may require medical underwriting if you are outside of the guaranteed issue period when coverage may be subject to approval. If you are switching from a County medical plan, you are eligible for guaranteed issue. In cases where coverage is denied, you and any enrolled dependent will remain in the coverage in place prior to the application to the Medicare supplement plan or have the option to change to another plan provided you do so before Annual Enrollment ends.

IMPORTANT NOTE

Unlike most other plans where the medical and prescription benefits are a part of a package, UnitedHealthcare AARP's Medicare Supplement and prescription plans **require separate enrollment**. County retirees who enroll in an AARP medical plan **must also enroll** in an AARP MedicareRx Plan. The AARP MedicareRx Plans are available to retirees across the U.S. and in the five U.S. territories. All enrollees in these plans (i.e. retiree and their dependents) must be enrolled in both Medicare Part A and Part B and be at least age 65 in order to elect the AARP®.

If you enroll in ANY Medicare Advantage plan or Part D Prescription Drug plan other than those offered to County of Sonoma retirees as explained in this guide, you may be disenrolled from your County-offered coverage.

AARP® MEDICARERX PRESCRIPTION DRUG PLANS

The AARP MedicareRx Preferred and Saver Plus (PDP) plans offer a national pharmacy network with access to more than 65,000 pharmacies. The AARP MedicareRX Walgreen's (PDP) plan includes a preferred pharmacy network of over 8,000 Walgreens retails pharmacies (Including Duane Reade pharmacies). In addition, the plan's drug list includes thousands of brand-name and generic drugs. To assist in your decision, you can contact UnitedHealthcare with a list of medications and a representative will complete a needs assessment to find a plan that best fits your needs.

MEDICAL PLAN PREMIUMS

The total monthly medical plan premium costs for County-offered retiree medical plans vary based on the medical plan and coverage level you select.

COUNTY CONTRIBUTION FOR MEDICAL COVERAGE

Retirees and the County of Sonoma, if applicable, share in the cost of monthly premiums for medical coverage. The County makes a contribution toward the cost of the plan you choose. You are responsible for the difference between the total premium cost and the County's contribution. This amount is displayed as the Retiree cost in the Medical Plan Premium Comparison Chart.

Each eligible retiree who was hired before 1/1/2009 and enrolls as the subscriber in a County sponsored medical plan will receive a County contribution toward their medical plan premiums of up to $500 per month, regardless your date of hire, years of service, or your choice of medical plan and coverage level. There is a small retiree population whose County contribution was frozen at the March 2007 contribution rate by Board Resolutions 07-0269 and 08-0713. These retirees were individually notified of the frozen contribution benefit. A second Medical Plan Premium Comparison Chart is included in this booklet for retirees receiving the "frozen contribution."

2017 - 2018 MEDICAL PLAN PREMIUM COST CHANGES

As is the case with most employers, the County typically expects an increase in the total medical premium costs from year-to-year. And because retirees pay the difference between the total premium cost and the County's contribution, the premium increases have a direct effect on the retirees cost.

REQUESTING AARP PREMIUM RATES FOR ANNUAL ENROLLMENT

Total premiums for the AARP Medicare Supplement Insurance and AARP MedicareRx plans vary based on your location and other factors. To request a monthly premium quote, contact the plan's customer service at:

UnitedHealthcare AARP® Plans Medicare Supplement Insurance Plans MedicareRx Plans	800-545-1797 TTY: 877-730-4192 888-556-7049	www.aarphealthcare.com wwww.aarphealthcare.com

UnitedHealthcare customer service representatives are available Monday through Friday from 4:00 a.m. to 8:00 p.m. PST, and Saturday from 6:00 a.m. to 2:00 p.m. PST.

It's important to understand UnitedHealthcare will provide you with a premium quote for the total cost of your medical and prescription coverage but may not have knowledge of the County's contribution to the total cost of your coverage until after you are enrolled. The County contributes toward the cost of your family's premiums. Because AARP Medicare Supplement Plans, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), offer many plan options and rates vary by region and other factors, we cannot publish the actual costs for each plan in this booklet. To arrive at your cost, obtain a quote from UnitedHealthcare for both a medical plan and a prescription plan. Subtract the county contribution from that total to arrive at your cost. If you have a share of cost, you will be billed directly by UnitedHealthcare. For most people, the county contribution covers the majority of the cost.

DENTAL PLAN OPTIONS AND PREMIUMS

You can choose one of two retiree dental plans, offered through Delta Dental of California. The DeltaCare USA plan is for California residents only; the Delta Dental PPO plan provides worldwide coverage.

Note… Dentistry has changed in recent years and continues to change on a regular basis. Much of this change is due to new materials, new technology, and new scientific discoveries, as well as changes in the way dentists run their practices. It's the dentist's responsibility to inform the patient about all of the reasonable and appropriate services that are available, regardless of the patient's dental coverage. It's the patient's responsibility to ask the right questions about these options and treatment.

Always request a pre-treatment estimate of predetermination of benefits before having major dental work done. Don't be afraid to ask questions! Do not agree to any treatment unless you fully understand what condition is being treated, why it is being treated, and the costs of that treatment. When in doubt, contact Delta Dental.

To learn more about Delta Dental, visit us at www.DeltaDentalIns.com or call 800-765-6003.

HOW THE DENTAL PLANS WORK

Only summary of plan benefits is being provided in this guide. For more detailed information, refer to the plan's evidence of coverage booklets, available through the County of Sonoma web site at: http://sonomacounty.ca.gov/HR/Benefits/Annual-Enrollment/.

The benefit election changes from the previous table are effective as follows:

Canceling Coverage: Effective date of change is generally the **last day of the month after the event** that allowed the change.

E.g. Spouse obtains other group coverage on the 1st of the month. Coverage for spouse ends on the last day of the prior month.

Adding newly eligible dependent: Effective date of change is generally the **first of the month following or coinciding with the event** that allowed the change.

E.g. Married on 1st of the month. Coverage for new spouse is effective on the 1st of the same month.

Married on the 2nd of the month. Coverage for new spouse is effective on the 1st of the following month.

New Retirees: Effective on the **1st of the month following or coinciding with the date of retirement.**

E.g. Retired July 1st. Employee coverage ends June 30th, (Employee offered the choice of COBRA or the County's retiree coverage). If County retiree coverage elected then retiree coverage is effective on July 1st.

Retired July 9th. Employee coverage ends July 31st, (if elected) retiree coverage is effective August 1st.

Exeception:

Birth/Adoption: Effective on the **1st of the month following date of birth/adoption**. Medical plans will cover a newborn under the subscriber's coverage from date of birth through the end of the birth month. Submit paperwork to Human Resources early and no later than 31 days from the date of birth to ensure continued medical coverage for the child

All rules above apply equally to IRS qualified and non-qualified dependents for consistency and ease of administration.

[1] Waiving retiree medical is a one-time only option at the time of retirement or within 31 days of the event date for newly eligible dependents (e.g. marriage, adoption, birth). Once coverage under the County's retiree plan is waived the retiree is not offered retiree coverage again.

[2] Per the Salary Resolution, eligible dependent children not enrolled in retiree medical when the retiree is enrolled are not eligible for re-enrollment in retiree medical at any time in the future, not even upon the loss of other group coverage.

DROPPING ELIGIBLE DEPENDENTS:

Dependents dropped from coverage have limited or no re-enrollment rights. Review Section 15 of the County of Sonoma's Salary Resolution carefully before dropping coverage for eligible spouse and/or dependents.

WAIVING COVERAGE (WHEN COVERED BY OTHER GROUP INSURANCE)

Medical coverage can be waived only at the time of retirement or within 31 days of initial eligibility for newly eligible dependents. Re-enrollment is very limited. Read Section 15 of the County of Sonoma's Salary Resolution and the waiver language on the Retiree Benefits Enrollment and Change Form carefully before waiving coverage.

MEDICAL ENROLLMENT REQUIREMENTS

Medicare eligible retirees and/or Medicare eligible dependents must complete and sign enrollment paperwork the month prior to the effective date of the Medicare eligibility and provide a copy of their Medicare card(s) demonstrating enrollment in Medicare Part A and B.

REQUIRED NOTICES

The following notices are provided to participants in the County's health and welfare programs in compliance with state and federal regulations.

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: http://www.socialsecurity.gov/online/ss-5.pdf. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact HR Benefits Unit at (707) 565-2900 or benefits@sonoma-county.org.

MEDICARE NOTICE OF CREDIBLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Plan options available to you are or are not creditable with (as valuable as) Medicare's prescription drug coverage.

The prescription drug coverage under the retiree plan options offered by the County are creditable and this is discussed in more detail in the Plan's Medicare Part D Notice of Creditable Coverage which is available later in this document or from the Human Resources Benefits Unit.

PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own healthcare information.

A HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in a health Plan. You can get another copy of this Notice from the County of Sonoma Privacy Officer at (707) 565-4999 or www.sonoma-county.org/privacy/privacy.html.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER

The Women's Health and Cancer Rights Act of 1998 (WHCRA) requires group health plans that provide coverage for mastectomies to also provide coverage for reconstructive surgery and prostheses following mastectomies.

Because the group health plans offered by the County provide coverage for mastectomies, WHCRA applies to your plan. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

1. Reconstruction of the breast on which the mastectomy has been performed
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
3. Prosthesis and treatment of physical complications of all stages of mastectomy, including lymphedemas.

This coverage will be subject to the same annual deductible, coinsurance and/or copayment provisions otherwise applicable to medical and surgical services under the policy/plan.

If you have questions about this Notice, contact HR Benefits Unit at (707) 565-2900 or benefits@sonoma-county.org.

The health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

As required by law, across the US, insurance companies and group health plans like ours are providing plan participants with a consumer-friendly SBC as a way to help understand and compare medical plan benefits. Choosing a health coverage option is an important decision. To help you make an informed choice, the Summary of Benefits and Coverage (SBC), summarizes and compares important information in a standard format.

Each SBC contains concise medical plan information, in plain language, about benefits and coverage, including, what is covered, what you need to pay for various benefits, what is not covered and where to go for more information or to get answers to questions. SBC documents are updated when there is a change to the benefits information displayed on an SBC.

Government regulations are very specific about the information that can and cannot be included in each SBC. Plans are not allowed to customize very much of the SBC documents. There are detailed instructions the Plan had to follow about how the SBCs look, how many pages the SBC should be (maximum 4-pages, 2-sided), the font size, the colors used when printing the SBC and even which words were to be bold and underlined.

The SBC for each medical plan option is available by contacting the Human Resources Benefits Unit at benefits@sonoma-county.org or call 707-565-2900, or on-line at http://hr.sonoma-county.org/.

COBRA COVERAGE REMINDER

In compliance with a federal law referred to as COBRA Continuation Coverage, this plan offers its qualified beneficiaries the opportunity to elect temporary continuation of their group health coverage when that coverage would otherwise end because of certain events (called qualifying events).

Qualified beneficiaries are entitled to elect COBRA when qualifying events occur, and, as a result of the qualifying event, coverage of that qualified beneficiary ends. Qualified beneficiaries who elect COBRA Continuation Coverage must pay for it at their own expense.

Qualifying events for dependents enrolled in Retiree coverage typically include death of the retiree, divorce/legal seperation from the retiree, or a child ceasing to be an eligible dependent child.

In addition to considering COBRA as a way to continue coverage, there may be other coverage options for you and your family. You may want to look for coverage through the Health Care Marketplace. See https://www.healthcare.gov/. In the Marketplace, you

could be eligible for a tax credit that lowers your monthly premiums for Marketplace coverage, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan) if you request enrollment within 30 days, even if the plan generally does not accept late enrollees.

The maximum period of COBRA coverage is generally either 18 months or 36 months, depending on which qualifying event occurred.

In order to have the chance to elect COBRA coverage after a divorce/legal separation or a child ceasing to be a dependent child under the plan, you and/or a family member must inform the plan in writing of that event no later than 60 days after that event occurs. That notice should be sent to HR Benefits Unit via first class mail and is to include the employee's name, the qualifying event, the date of the event, and the appropriate documentation in support of the qualifying event (such as divorce documents).

If you have questions about COBRA contact HR Benefits Unit at (707) 565-2900 or benefits@sonoma-county.org.

PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT

Designation of a Primary Care Provider (PCP):

Generally, the medical plans offered by the County do not require the selection or designation of a primary care provider (PCP). You have the ability to visit any network or non-network health care provider; however, payment by the Plan may be less for the use of a non-network provider. However, the Kaiser Permanente, Sutter Health Plus HMO and Western Health Advantage HMO medical plans generally requires the designation of a primary care provider (PCP). You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your plan.

Direct Access to OB/GYN Providers:

You do not need prior authorization (pre-approval) from the medical plan or the County or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological (OB/GYN) care from an in-network health care professional

who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the insurance carrier directly on the number on your medical card. Additional assistance is available from CareCounsel, Healthcare Advocates at 888-227-3334, or Sonoma County Human Resources Benefits Unit at benefits@sonoma-county.org or call 707-565-2900, or online at http://hr.sonoma-county.org/.

IMPORTANT NOTICE FROM THE COUNTY OF SONOMA ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE - YOUR MEDICARE PART D NOTICE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the County of Sonoma and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. County of Sonoma has determined that the prescription drug coverage offered by the County-sponsored medical plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current County coverage will be affected. For further information on how your coverage will be affected, please contact your benefit office or CareCounsel at the number below.

If you do decide to join a Medicare drug plan and drop your current County of Sonoma coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the County of Sonoma and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage…

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the County of Sonoma changes. You also may request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage…

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NEWBORNS' AND MOTHERS' HEALTH PROTECTION NOTICE

Hospital Length of Stay for Childbirth: Under federal law, group health plans (including medical plans sponsored by the County) generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or the newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, the Plan may pay for a shorter stay if the attending Physician (e.g., Physician, or Health Care Practitioner), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, the Plan may not, under federal law, require that a Physician or other Health Care Practitioner obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information on precertification for a length of stay longer than 48 hours for vaginal birth or 96 hours for C-section, contact your plan provider to precertify the extended stay. If you have questions about this Notice, contact HR Benefits Unit at (707) 565-2900 or benefits@sonoma-county.org.

Retiree Waiver Policy Acknowledgement

Retiree medical coverage provisions are outlined in the County of Sonoma Salary Resolution No 95-0926. In order to maintain eligibility for a County contribution and to participate in a County-offered retiree medical plan, an eligible retiree must enroll in a County offered retiree medical plan at the time of retirement unless the retiree waives medical insurance coverage for themselves and/or the retiree's eligible dependent(s) due to other group coverage. (Note: A retiree who is **not** covered by another group medical plan, may not waive coverage, but may drop/cancel coverage, which results in a forfeiture of future enrollment rights into a County medical plan.)

The option to waive coverage is a **one-time option** available only at the time of retirement or upon initial eligibility for newly eligible dependents. A retiree who waives coverage has no annual enrollment rights.

A retiree who waives medical coverage will be allowed to re-enroll themselves and any eligible dependent(s), upon the following conditions being met:

1. The retiree must re-enroll **within 31 days** of the loss of other group insurance coverage and provide the County with evidence of the loss of coverage. Failure to provide proof of coverage loss will result in denial of enrollment and the retiree will forfeit future enrollment rights and County contributions towards the retiree medical plans.
2. At the latest, the retiree must re-enroll **no later than 60 days after the effective date of the retiree's Medicare eligibility for coverage**. A retiree, and any eligible dependent also being enrolled who is eligible for Medicare, must have Medicare Parts A and B and must provide proof of this Medicare coverage to the County of Sonoma's Human Resources Benefits Unit. Medicare assignment of benefits to County retiree medical plans is required for some County medical plans, such as Kaiser Permanente Senior Advantage and UHC AARP medical plan.
3. The retiree's re-enrollment is required in order for any eligible dependent(s) to be enrolled in a County offered medical plan, except as follows in #4 below.
4. The retiree may add an eligible dependent spouse or domestic partner at a later time provided the eligible dependent is enrolled in other group coverage.
5. Eligible dependent children must be enrolled at the time the retiree elects coverage.

By signing below, I acknowledge that:

- I have read and understand the information above.
- I have been given the opportunity to enroll or waive coverage for myself and my eligible dependents in a County-offered medical plan pursuant to the eligibility criteria outlined in the Salary Resolution and the health plan's document.
- I understand that failure to notify and provide proof of loss of other group coverage within 31 days, failure to obtain, assign benefits to a County retiree medical plan if applicable and provide proof of Medicare Parts A and B within 60 days of Medicare eligibility and/or failure to pay premiums will result in termination of County retiree medical benefits and forfeiture of County contribution to County retiree medical plans.
- I understand that I am required to notify County of Sonoma Human Resources Benefits if my eligibility or my dependent's eligibility for Medicare Parts A and B changes.

If I become eligible to make a change during the plan year, I must request the change within 31 days of the event.
